Global Missions

Our March Missionaries of the Month are **J and B** as well as **R and R**, both serving with MTW. R and R had the chance to share with us during the Sunday School hour last week. Hopefully you had a chance to meet them! They are engaged in very challenging work. They ask that we pray with them that the name of the Lord would be exalted among all peoples to the ends of the earth! For J & B specifically, please pray that their efforts to train men and women to go out into new regions and lands would yield fruit and that God would give them success. If you would like to know more about their work, please grab a flyer from the Missions Wall today!

San Diego–Joann Gault, who has served most of her life with Wycliffe Bible Translators, is working this year to spot check the completed translation of the New Testament into another language. She is starting her work on the final check of Ephesians. She asks for diligence in her use of time, and for wisdom to flag only what needs to be looked at again within the translation in order to complete the work this year.

Luke 6:24

Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you.
